Annual Fund Request Due Date

Dear Families,

Mount Saint Mary Academy is clearly guided and driven by our mission statement, which embraces our Catholic identity, informs all aspects of our school days, and follows in the footsteps of Catherine McAuley. It is the lens, through which we use to determine what is best for each child, a lens that as a private Catholic elementary school, we share with you. Your opinions, support, and ideas continue to help us meet the needs of our students, your children, academically, spiritually, and socially. Please consider joining us at the January 16 Parent Principal Check and Connect. We will meet at 5:30 p.m. with the goal of determining how, together, we can continue to deliver an extraordinary Catholic education for your children.

With compassion and blessings,

Kate Segal, MSMA Principal
